## **BRIEF**

You are tasked with creating a game on Android mobile platform using the swiping mechanics.

You are then required to submit the files before **Thursday, 12th October 2023, 11.59pm.**

## **REQUIREMENTS**

Submission should include the following:-

- 1.) Game Build (APK)
- 2.) Project source files

Please ensure the zip file follows the naming convention of [StudentID]\_[Name]\_[ProjectName] (without square brackets).

Submissions should be uploaded to the Submission page of Assignment 2 on the OpenLearning page for the class.

## **ASSESSMENT CRITERIA**

This assignment will be graded to a total of 30% based on how well the categories were created.

- Player Interactions (5%)
- Swipe mechanic (5%)
- Obstacle Types (5%)
- User Interface, Sound & Music (5%)
- In class Participation (10%)

No submission will result in a 0% grade.
